SUBJECT: Rand Contract Request

REFERENCE: Rand Proposal, Dated June 1988

1. The referenced proposal received from Rand Corporation in Santa Monica, California has been reviewed for technical accuracy. Rand proposes the technical services of [REDACTED] in support of activities undertaken by the DCI's Intelligence Information Handling Committee and its staff. [REDACTED] engineering skills and expertise in computer security and federal policy are applicable and necessary to assist in the development of security appendices and security plans for intelligence and law enforcement systems.

2. The reference proposes two options for a total of [REDACTED]. I wish to proceed with both options and am providing an additional [REDACTED] via the attached Form 2420 to augment funds forwarded to your office in May 1988 to fully fund the proposed effort. The person days and travel are adequate and the categories of labor and corporate personnel listed are appropriate for the requisite tasks.

3. Request your support to review the appropriateness of labor and travel rates, overhead, and fee, and to adjust the proposal, if necessary, maximizing labor hours available to the ICS/IHC. I appreciate your assistance in this matter.
